

DZEY ARCEL SAAVEDRA

GRAPHIC & UI DESIGNER

saavedradzeyarcel@gmail.com

09954762414

Philippines, Bohol

PROFILE

I'm Dzey Arcel, an IT student and creative graphic designer with 5 years of design experience, focused on building strong visual identities and engaging designs. Skilled in Adobe Creative Suite, Canva, and frontend development, I design and create user interfaces for apps and websites, delivering clean and impactful visuals.

EDUCATION

Trinidad Municipal College

Bachelor of Science in Information Technology

EXPERIENCE

Freelance Graphic Designer & Front-End Developer

2021 - Present

- Delivered high-quality graphic design for school projects and local clients, strengthening brand identity and visual communication.
- Designed and developed UI for websites and apps through academic projects and thesis work, focusing on clean, user-centered design.
- Managed multiple design projects efficiently, translating ideas into impactful visuals while consistently meeting deadlines.

Graphic Designer & Assistant Copywriter at The Munro Agency

2025 - 2026

- Designed high-volume listicle featured images for multiple clients in an agency setting, producing 15–18 designs daily while maintaining quality and consistency.
 - Created engaging visual assets for projects under Munro Agency, aligning designs with brand guidelines and content goals.
-
